LONDON INTERIOR BLINDS

SHUTTERS | CURTAINS | AWNINGS

A detailed, dark grey illustration of various botanical elements, including leaves, stems, and flowers, scattered across the middle section of the image. The style is reminiscent of a woodcut or a detailed botanical drawing.

DUETTE® BLINDS

AQUARIUS DUETTE® BLINDS

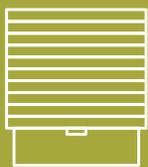

Discover our first dedicated range of Duette® blinds – a market-leading, innovative choice for your windows. With their stylish honeycomb design, these blinds do more than just look good; they help keep your home warm in winter and cool in summer, making every room comfortable all year round. Practical and elegant, Duette® blinds are the smart solution for anyone seeking the very best in energy efficiency and modern style.

STYLISH SOLUTIONS

Browse our collection where quality and style take centre stage. With a beautiful selection of fabrics in different finishes and textures, you're sure to find the ideal look for your windows. Our Duette® range offers sheer fabrics that gently filter natural sunlight, as well as dim out options to help create a restful, darker space for a better night's sleep. Let your windows reflect your personal style and transform your home.

VERSATILE CONTROL OPTIONS

Duette® blinds are perfectly suited to a wide range of window shapes and styles, browse the options below to find your best fit.

FREEHANG

Ideal for standard windows, they are easy to operate with a traditional cord or a tabbed control, folding away neatly and discreetly when raised.

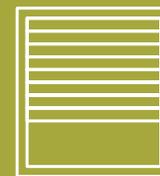

TOP DOWN BOTTOM UP

For added flexibility, these blinds open and close from the top or bottom, giving ultimate control over light and privacy.

ELECTRIC

Make your Duette® blinds motorised and control them with a touch of a button, or choose Smart for voice control and operation via an app on your phone.

INTU

A discreet, no-drill option suitable for tilt and turn windows and glazed doors. It integrates into your window for an elegant finish, maintaining the use of your windows or doors with the blinds in place.

PERFECT FIT

A no-drill solution for uPVC windows and doors. The blind clips into a stylish frame which moves together with the windows or doors, giving the perfect combination of shade and ventilation.

SKYLIGHT

Duette® blinds are perfect for Skylight windows, which are set in the ceiling or roof of the home.

DAY & NIGHT TRANSITION

Combine two fabrics within one blind to give greater control over light levels. Choose between different colours, patterns or use sheer and blackout options to create your preferred look. Available as tabbed and in a Perfect Fit frame.

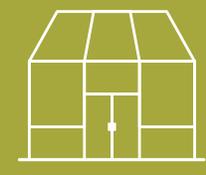

GABLE END

Unique shaped blinds designed to fit triangular windows found at the top of a house, typically known as the gable end.

ROOF LANTERN

These are a unique blind option for your roof lantern space. They will efficiently control the amount of light and heat entering your room, as well as reducing glare.

CONSERVATORY ROOF & SIDES

Effortlessly manage the light in your conservatory with our simple-to-use roof and side blinds. Choose from smooth manual controls or opt for the convenience of electric operation for effortless comfort and control.

CHILD SAFETY

Your stockist can advise you on child safety options for Duette® blinds.

Duette®
blinds reduce
heat loss at your
windows by up to 55%.
